You may be already aware there is a new sleeve sponsor for the Wests Tigers.....
LiuGong Machinery Australia has now joined the Tigers as a strong supporter and sponsor.
As Managing Director of LiuGong Machinery Australia let me say that we are absolutely
delighted to be associated with you for the coming year 2007.

Whilst Wests Tigers is a fairly new Joint Venture club both Western Suburbs Magpies and
Balmain Tigers are the foundations of your long rich history and you will be celebrating 100
years in Rugby League in 2007. When you leverage the two clubs you have 200 years of
combined culture which gives you a unique edge on all your rivals.

LiuGong in China has a very long and famous history but is very new to the Australian
marketplace and we have spent the last two years in training, so to speak, getting the
products right, distribution in place, people trained, raising our profile and developing our
image. We are now confident to take on the big players and shock the industry from its
apathy.

What you people do is inspirational and we can gain confidence in being associated with
the caliber of people such as your selves who are not afraid of significant challenges.

The intention of this letter is to introduce you to our company. The attached leaflet should
provide you with some information as to what we do or you may like to visit our website
www.liugongaustralia.com for the range of products we promote.

This sponsorship for me is as much personal as it is professional as I have been a Tigers
fan since childhood when my Dad took me to watch Kieth Barnes share the goal kicking
responsibilities with Len Killeen. I look forward to our association in 2007 and wish you the
best of luck in regaining the premiers title. LiuGong Australia and LiuGong China will be
right beside you all the way.

Best Regards,

A handwritten signature in black ink, appearing to read 'Denis Robson', written in a cursive style.
