

## Vasse Plant Hire - Abbey WA

*“Value for Money with Liugong”.*

Director of Vasse Plant Hire, John Court has been in the industry for over 40 years. Based in Abbey WA, John started his own company in June 2006 along with business partner, Ross May.

Primarily involved in the Dry Hire side of the industry, Vasse Plant Hire have earned a reputation for reliable & efficient service and are well respected by their clients which include; Operators, Shire Councils, Contractors and Farmers. Vasse Plant Hire provide machinery throughout South Western Australia and it was whilst attending the Perth Machinery Show, that they were first introduced to the Liugong brand of machinery through WA Dealer, Munce Equipment.

The company has subsequently purchased several Liugong machines including, 1 x G842 Loader. 1 x G835 Loader, 2 x 922 excavators, 2 x 856 Series 2 Loaders, 2 x 612 rollers and a G416 Grader with Laser Levelling, with more gear on order from Munce Equipment WA.

*“In the dry hire business, price and reliability are key factors in determining which machines to buy. These Liugong machines are value for money, very reliable, cheap to maintain and quite robust. I am happy to recommend them to other Operators”,* John said. John has also been impressed with the excellent service he has received from Munce Equipment, WA.
